The Face of a Birdman Revealed in Orb Crater

closely studied the orb crater that sits atop The Barking Dog in the Ruell Vallis of Mars (below, right) We first thought that this was the mantis-like face of an extraterrestrial being It is not We had mistaken the mouth on this terra-form of a face for the almond-shaped eye of a "Gray" Additional photo-analysis has revealed this face

The terra-formed location was captured in a photograph taken by the High Resolution Stereo Camera (HRSC) onboard the Mars Express. Near the channel, these canine and orb motifs overlap. There, a dog can be seen lunging to the left with its snout open in an apparent bark or snarl (left). An orb crater has been sculpted at the base of the dog's
