traumatic play

### **Forged by Fire (Hazelwood High Trilogy Book 2)**

He was too scared to cry Everything around him was white—the walls, which seemed to tilt toward him; the sheets, which were scratchy and so  
bright that he had to close his eyes; and the people, whose pale white faces and uniforms made him think of ghosts that come to get you in the night  
His throat felt scratchy and it hurt a little to breathe

### **Babies Cry. This is My Crying Plan!**

the baby Sometimes babies cry for no apparent reason When this happens, feeling frustrated is normal Never Shake a Baby! All babies cry, some  
more than others Crying is a baby's language When my baby cries she may be lonely, scared, tired or he may cry for no reason that we can figure out  
So if my baby cries these are some things to try:

### **The Scar BoyS**

too scared to cry, and somehow I knew crying would only make it worse Maybe if I take my lumps, I thought, it'll all turn out okay "whaddya think we  
should do with him?" someone asked one of the other kids, a freckled little creep named Timmy, who called me "Shrimp Toast" every time he saw

### **How yoU can HELP yoUR cRyIng baby**

i cry because there is something i want to tell you Sometimes I cry to tell you: • i am hungry • i have a gas pain • i am too cold or too hot • something  
scared me • i am sick or hurt • i am bored or lonely • There is too much noise • i am being held by too many different people
